BLEED

LIVE AREA

SAFE AREA

5x7.5 Tube Display Template

Document Size: 62.63 in” x 91.84 in”
Live Area: 60.63 in” x 89.84 in”

* The dark blue area is meant for a background color, if applied.
The Cyan blue area is the banner itself, where the cut will occur.
The Safe Area is where all important logos or content should be placed to avoid getting cut off, or too close to the edge.
